A resident requested a review of the budget. Supervisor Marinaccio gave an overview: Supervisor Marinaccio stated that there was a 3% increase in most salaries. Total budget is up from 4.4 million to 4.7 million dollars, the increase largely due to the Highway Department’s material costs. We have the lowest increase ever for health insurance - a 1 ½% increase. Expenditures went up 7%. Property tax up approximately 4%. The Supervisor stated that we have set aside some money for the Sunrise Terrace building in the event the town takes it over.

**November 5, 2018 – WORK SESSION**

<u>Messaging Board</u>	<u>\$17,160.00</u> tentative location is where the Sunrise Terrace sign is now located.
<u>Retainer Wall</u>	<u>\$ 2,588.00</u> (completed)
<u>Automatic Doors</u>	<u>\$29,765.00</u>
<u>Total</u>	<u>\$49,513.00</u>

Supervisor Marinaccio asked for the Board’s input regarding the location of the messaging board. There was a discussion about the location of the messaging board. Initially, Supervisor Marinaccio proposed that the sign be located where the current Sunrise Terrace sign is located at the entrance of **Sunrise Terrace**. Councilman Burns and Councilman Morabito suggested that we consider other locations, specifically where the Town of Dickinson sign is now located at the intersection of Front and Old Front Streets. This location would be visible for a greater number of people and would not affect the aesthetics of the **Sunrise Terrace Community** with an illuminated digital sign which could potentially obstruct the view of traffic. Supervisor Marinaccio stated that he will re-visit and talk with **DOT Regional Director** Tom Wiser and ask for guidance. Public Works Commissioner Kie has concerns about providing electricity to the sign at the Front Street location and noted that that location is State property. Mr. Marinaccio stated that we need to stay within the original parameters of the Grant.

**CEMETERY FUNDS**

It looks like we are very close to finalizing our cemetery funds and being able to utilize those funds in maintaining the cemetery. Supervisor Marinaccio thanked Administrative Assistant Bev Wike for her hard work on this project.

The Town will have to update the policy in the Employee Handbook and distribute to all town employees.
