# **November 2025 Town Board Meeting Supervisor's Report**

- 1. Reviewed the monthly town credit card statement and did not find any issues
- 2. I received the Dog Control Officer Inspection Report that was done by the NYS Dept. of Agriculture, and they rated it satisfactory. Great job
- 3. We received our 3<sup>rd</sup> quarter Traffic Reconciliation Check for the amount of \$26,400
- 4. We received our 3<sup>rd</sup> quarter fees for inmates housed from other jurisdictions for the amount of \$63,822.08
- 5. We finally received our 3<sup>rd</sup> quarter sales tax for the amount of \$316,714.68
- 6. A survey was sent by Binghamton University to our residents who live in proximity of the Ely Park golf course.
- 7. The NY State Comptroller announced that there was an increase in sales tax income for October. This will benefit our town especially since we use sales tax to fund our highway department.
- 8. Something we need to keep a close eye on: The governor is looking into establishing small nuclear plants around the state, municipalities home rule could be jeopardized. Solar projects may also fall into this issue as well. I have asked our NYAOT attorneys to look into this and keep us updated. The governor has directed the NY Power Authority to develop at least one gigawatt of nuclear capacity which could also involve multiple smaller ones. The smaller reactors are called Small Modular Reactors or SMRs. There is a proposal under review now called the Community Solar Act that limits local governments to pass restrictive zoning ordinances related to solar projects which could impact town-level

- policies on solar development. I have a meeting scheduled this Wednesday with her regional representative to discuss a number of issues.
- 9. I plan on attending the Veterans Day ceremony tomorrow at SUNY Broome.

<u>DISCUSSION</u>: Attorney Coughlin explained that the town is a small participant in the millennium pipeline. They are trying to grieve their tax assessment and say they can pay less. Most of the municipalities of the state which the pipeline runs through are working together on a joint defense and they wanted to extend the offer to the Town of Dickinson to participate in the joint defense. He is advising most of the clients to authorize the supervisor to enter into the joint defense agreement subject to the review of the actual terms. It's a state level tax assessment case. Our town has a small strip of it.

On a motion by Councilperson Gardner seconded by Councilperson Exley to Authorize Supervisor Marinaccio to sign a contract dealing with the joint defense millennium pipeline assessment challenge.
